Recycling Highlights

Your First Recycling Day will be

Thursday, February 2, 2012,

WM 96 Gal Green Cart w/ Yellow LID

Bins will be delivered the week before.

“At Your Door”

Have you ever asked yourself “How Do I GET RID of THAT!”

At Your Door Special Collection is an important new service offered by Waste Management and City of Montgomery. This program makes it easy for you to dispose of and recycle home-generated waste, including household hazardous waste- safely, easily and responsibly. A few of the items this program will collect are: paint, household chemicals, sharps, pool chemicals, TV, electronics, computers and more.

Please see the complete details on all the new programs in the mailer from Waste Management.
